

DG Voice, have a small amount of funding to support individuals and families with disabilities with the cost of living crisis.

We recognise that people with disabilities may have additional costs, for example specific diets which are costly, and also have increased energy costs.

If you know of anyone who is in desperate need of help, please get in contact with some basic details. We can support them by offering them a choice of supermarket vouchers and also some support with energy bills.

For more info or to refer some one contact: catherine@dgvoice.co.uk
